ABOUT ME

I am an aspiring Full Stack Developer focused on building scalable, efficient, and user-centric web applications . I enjoy solving complex problems through clean, maintainable code and modern development practices . I am committed to continuous learning and delivering high-quality digital solutions.

EXPERIENCE

Participant - Star Programmer Open Source Chandigarh

Chitkara University | Rajpura , Punjab — March 2025

Gained hands-on exposure to competitive programming challenges and improved logical thinking under timed conditions.

Participant - VaultHeist

CGC University | Jhanjeri , Punjab — October 2025

Participated in the 24-hour VaultHeist Hackathon, collaborating on real-time problem-solving and rapid prototyping while building and deploying project featuring full-stack development skills.

Participant - Formula Hacks 2025

Chitkara University | Rajpura , Punjab — October 2025

Secured a Top 10 position in Formula Hacks 2025 — a 30-hour security-focused hackathon organized by Google Developer Groups.

Extracurricular – Technical

Chitkara University | Rajpura , Punjab — September 2025

Member of the Bits 'N' Bytes Tech Club, contributing to the technical team in organizing coding events and tech activities. Assisted in developing and managing technical tasks, enhancing teamwork, leadership, and technical problem-solving skills.
